

## ATTENDANCE POLICY

All students are expected to be in attendance every day that summer school is in session. If a student cannot be in attendance on a specific day, the parent must notify the office at 847-587-2561 no later than 8:15 a.m.

The following summer school attendance rules will be enforced:

**\*\* ATTENDANCE IS MANDATORY THE LAST DAY OF CLASSROOM-NO EXCEPTIONS-PLEASE PLAN ACCORDINGLY\*\***

- Students will only be excused for illness (may require doctor verification); a family emergency; or a religious holiday.
- Students who miss more than ONE (1) day during a given session will be dismissed from summer school and receive a failing grade for that session.
- Tardiness to class counts as a partial absence.
- Three tardy arrivals will equal one day of absence.
- Students will be considered absent for a full day if they miss more than 15 minutes of class.
- Students will be considered absent for a full day if they leave school during their break.

Students may not leave the school grounds for any reason from 8:00 a.m. until they are dismissed from class.

## STUDENT DISCIPLINE CODE

Discipline problems will not be tolerated during summer school. Students are expected to follow the instructions of their teachers and school administrators. If a student violates the Grant student discipline code, the following consequences may result:

1. The student may be sent home for the remainder of the day.
2. The student may be suspended for a specified number of days.
3. The student may be withdrawn from the summer school session and not receive credit.

On the first day of each session an outline of academic, attendance, and behavioral expectations for all summer school students will be discussed and/or distributed.
