

GRANT COMMUNITY HIGH SCHOOL DISTRICT 124

SKYWARD FAMILY ACCESS INSTRUCTIONS

Family Access – Parent (Legal Guardian)

Family Access is a web-based service that allows parents (legal guardians) to view information on their student(s). Information that Family Access allows parents to view include:

- General Student Information
- Student Grades
- Student Schedules
- Attendance Records
- Fee Management
- Health Information

Participation Requirements

1. Parents (legal guardians) must have at least one student currently enrolled in Grant Community High School (GCHS).
2. Parents (legal guardians) must read and complete the Skyward Family Access Application and turn it in to the main office with proof of identification. The form is available at the main office or can be downloaded from the District website, www.grantbulldogs.org, under the parent tab.

Family Access is password protected. Please keep your username and password confidential.

You will be notified of your Family Access login and password by email, if you have provided one. If no email account has been provided by you, you may obtain your login and password at the time that you turn in your completed Application to the main office with proof of identification.

The approved Skyward Family Access Application form is valid until your student graduates or withdraws from GCHS.

Student Information

Family Access is ‘real time’, meaning that once your student’s information is updated it will automatically show up to be viewed in Family Access. Please be patient and allow teachers approximately 3 to 6 days to return assignments and update grade information accordingly. Essays, research papers, projects, etc. take longer to grade than a typical assignment, so please take that into consideration and allow for extra grading time before contacting your student’s teacher. Grades are fluid and change daily/weekly as teachers add assignments and grades to the system. Grades are not “official” until the grading term has ended and final grades are issued.

System Requirements

Your computer must have access to the internet. You will need to disable any pop-up blockers or override pop-blockers when using Family Access.

Login Information

1. Go to the Grant website at www.grantbulldogs.org
2. Click on the Parent tab
3. Click on Skyward Family Access icon
4. Log-in by entering your log-in name and password

NOTE: Please note that if a space is indicated in your login, you must leave the space when you enter your login. The login name is the first 5 characters from your last name + the first 3 characters from your first name + a 3 digit number.

Forgotten your login or password?

1. Click on the “forgot login or password”
2. Your login information will be sent to you via your e-mail

Don't have a password?

1. Pick up a Skyward Family Access Application in the main office or download one from www.grantbulldogs.org. Complete the form and return it to the main office along with proof of identification.
2. The main office will provide you with your login and password.

Navigating in Family Access

Student Selection

For families with more than one currently enrolled student, Family Access lets you select which student's information you wish to view. On the top taskbar of the Family Access Calendar screen, you will find a student selection drop-down box that allows you to toggle back and forth between your students. If you have more than one student enrolled and you do not find all of your student's names under the drop-down box, please email rjones@grantbulldogs.org.

Calendar Screen

After logging in, the first screen you will see is the calendar. It will show you assignments for your student's classes and grades received. Click on any assignment to find out more information relating to the assignment, i.e. date assigned, date due. To the left of the screen, you will find the main menu.

Student information

Here you will find the demographic information that we have on file for the student selected at the top of the screen. If any of this data is incorrect, please email rjones@grantbulldogs.org.

You may change your password or your email address by clicking on “account information” in the top right corner.

Gradebook

The Gradebook lets you view assignments and grades in each of your student’s subjects. This tool is provided to keep you informed of how your child is doing in class. The gradebook screen is divided into 3 tabs:

1. **Progress Report Tab:** This tab refers to the grades posted for your student in real time. It is a snapshot in time and will change as assignments are completed / not completed, grades updated, attendance, etc. These grades reflect all assignments that have been turned in and graded during that grading term. Click on any underlined grade to see the assignments that make up that grade.

Definition of gradebook marks:

A+ - F	Signifies a letter grade earned on an assignment, test, quiz, etc.
*	Signifies the assignment, test, quiz, etc. has yet to be assigned or has been submitted but not graded.
0	Signifies the student has not received a grade for an assignment; the special codes section will clarify its meaning.

Definition of special codes:

NGY	Signifies that the assignment has been handed in but is Not Graded Yet .
AB	Signifies that the student was AB sent and can turn in work for full credit
LATE	Signifies that the student did not turn in the work on time and will receive LATE work credit for the assignment
REF	Signifies that the student REF used to do the assignment and can no longer receive credit.

Term definitions:

P1:	1 st Progress Update
P2:	2 nd Progress Update
P3:	3 rd Progress Update
SE1:	1 st Semester Final Exam
S1:	1 st Semester
P4:	4 th Progress Update
P5:	5 th Progress Update
P6:	6 th Progress Update
SE2:	2 nd Semester Final Exam
S2:	2 nd Semester

2. **Missing Assignments Tab:** Here you will see assignments that your students has been given but are not yet marked as complete. Many factors affect the time it takes to grade an assignment so please allow 3 to 6 days for an assignment to be updated before contacting your student's teacher.
3. **Comments Tab:** Here you will find the teacher's comments from the last grading cycle.

Message Center

The Message Center shows messages sent to you by your student's teachers. These may be messages sent to the entire class or a message sent just to you. You may also receive messages from school administration.

Attendance

The Attendance page shows you the attendance record for your student. You may view attendance in a calendar view, daily view or term totals only.

Schedule

This page shows your student's schedule including the class information, teacher, classroom number, teacher contact information and credits they are receiving for each class.

Fee Management

Fee management provides a detailed listing of all charges, payments and any amounts due for your student.

Activities

The activity page displays activities that your student is currently participating in along with information on the coach/sponsor of the activity.

Report Cards

This page displays a printable copy of posted report cards.

Health Information

The health information displays immunization records and other health related information currently on file for your student.

Login History

The login history lists recent dates and times when you have accessed your account.

Current Assignments

This page will display any online assignments that teachers have posted for your student.
