****ATTENDANCE IS MANDATORY THE LAST DAY OF EACH SEMESTER—NO EXCEPTIONS—PLEASE PLAN ACCORDINGLY****

The following summer school attendance rules will be enforced:

- Students will only be excused for illness (may require doctor verification), a family emergency, or a religious holiday.
- Students who miss more than two (2) days during a given session will be dismissed from summer school and receive a failing grade for that class.
- Tardiness to class counts as a partial absence.
- Three tardy arrivals will equal one day of absence.
- Students will be considered absent for a full day if they miss more than 15 minutes of class.
- Students will be considered absent for a full day if they leave school at any time before being dismissed.

Students may not leave the school grounds for any reason from 8:00 A.M. until dismissal at the end of the day.

STUDENT DISCIPLINE CODE

Discipline problems will not be tolerated during summer school. Students are expected to follow the instructions of their teachers and school administrators. If a student violates the Grant student discipline code, the following consequences may result:

1. The student may be sent home for the remainder of the day.
2. The student may be suspended for a specified number of days.
3. The student may be withdrawn from the summer school session and not receive credit.
4. Appropriate dress is required during summer school.

On the first day of each semester, an outline of academics, attendance, and behavioral expectations for all summer school students will be discussed and/or distributed.
