Dear Grant Family and Friends,

I hope this communication finds you and yours well. I want to say thank you for being a valued member of our Grant Community in so many ways.

While it was a difficult decision, we have decided to not hold the 26th Annual Grant Gala event which was scheduled for Saturday, November 7, 2020. Gatherings of 50 people or more are not allowed by executive order and it is not known if/when these social events will be permitted. Additionally, we recognize the last several months may have been financially challenging for the many individuals and local businesses that help to make this event successful.

We do, however, anticipate seeing an increased need for student support as a result of the pandemic. The Foundation will make every effort to continue to serve our students in financial need. While we can't gather as we have in the past to support them, we hope that you will still consider making a donation. The Grant Community High School Foundation accepts monetary donations at any time on our [website](#).

As a 501(c)3 organization, your donation may be tax deductible. Donations will be used to provide assistance for school-related expenses for students whose families are in financial need, provide student scholarship opportunities, provide funds for instructional classroom technology and innovative classroom projects, and other charitable and educational purposes.

We are looking forward to hosting this wonderful event in the future. The tentative date for 2021 is Saturday, November 6, 2021! We sincerely hope we can be together then!
