We are pleased to announce that Grant Community High School has been ranked in 2015 among the U.S. News Best High Schools. Of the 677 high schools in Illinois, 177 were honored, including Grant. Schools were awarded gold, silver, or bronze medals based on the following key principles:

- a great high school must serve all of its students well, not just those who are college bound
- a great high school is able to produce measureable academic outcomes to show it is successfully educating its student body across a range of performance indicators

The following link shares the three-step process utilized to determine the Best High Schools - <http://www.usnews.com/education/best-high-schools/articles/how-us-news-calculated-the-rankings>.

The faculty and staff at Grant Community High School continue to work very hard to raise expectations, and foster a climate and culture where all students can be successful. We appreciate your efforts in supporting your students at home and communicating the importance of education. The recognition of Grant as one of the Best High Schools in Illinois with a “Bronze” rating is a reflection of both school and parent effort to help our students achieve.

Congratulations to all of us for Grant being recognized as one of the Best High Schools in Illinois! With the dedicated faculty, staff and parents we have at GCHS, I know even greater things are to come for our students and the Grant community.
